

DREW PEARCE

Director / Producer

Drew Pearce is a comedy writer, producer and director. He has created and produced many series of note, such as the award-winning Virgin Diaries and Bedroom Diaries, the much-talked-about short The Musical Storytellers Ginger And Black and the critically-acclaimed cult hit sitcom No Heroics. He also made the unprecedented jump to US showrunning when he took the show to pilot in the US with the ABC network.

He is currently working on various film and television projects in the UK and the US.
